

AP Physics C Information Questionnaire

Name:

Grade:

Please answer these questions completely, but succinctly. **Be honest.** Thanks.

1. What is your favorite book, and why?
2. Who is your favorite scientist, and why?
3. What was your last math class, and what was your grade?
4. What was your grade for each semester of AP Physics 1?
5. What are your previous AP classes and scores?
6. What major do you plan on studying in college? (Take your best guess)
7. What career do you envision for yourself?
8. Why are you taking AP Physics C?
9. Did I recommend you for AP Physics C during Course Registration? If not, did you sign up for the course late or waiver in?
